HELP DESK/NETWORK MANAGEMENT STAFF LEASING

Our Staff Leasing program enables you to build your team and manage the direction. Whether you are a Managed Service Provider (MSP) or Corporate Entity, Raso Solutions will partner to deliver 24/7 phone or chat using your process and efficiencies. Your customers work directly with our senior-level, Microsoft-credited technicians from the start, eliminating the need for time-consuming internal escalations.

The Raso Solutions platform provides you full control of interviewing and selecting your team. You have full control of the people, process, and efficiencies completely labeled. We are the next level of technical support, with 20+ years of experience to ensure a superior customer experience and improve customer loyalty. Customizable technical solutions partnered with excellent customer service.

WEB/SOFTWARE DEVELOPMENT

We at Raso Solutions are your trusted offshore web development partners for high-quality service at competitive prices. We do NOT outsource, we Staff Lease. You get to interview and build your own team in our facility in the Philippines.

Raso Solutions is an expert at building I.T and Development team. We have had the pleasure of finding over 435 I.T. and Development professionals are comprised of quality web development, mobile applications development and SEO services, all at extremely reasonable pricing that will fit within your project budget.

We are headquartered in San Diego, CA, with an international office in the Philippines.

Our Services

- Visually stunning Web design with UI and UX considerations
- Robust custom Web application development with open source implementations
